When investing in your child’s education, the question at the forefront of your mind is most likely about value. Mars Hill Academy isn’t simply preparing the next generation for college and careers. More importantly, we are equipping young men and women for life. Students who graduate from Mars Hill are independent thinkers, have a positive outlook on life, exhibit strong Christian commitment, and actively practice their faith. At Mars Hill Academy, your investment has an impact for a lifetime.

Multi-Child Discount

Families with three or more children enrolled at MHA receive a multi-child discount of \$1,000 for the third child and each additional child.

Need-Based Tuition Assistance

Mars Hill strives to make an exceptional classical and Christian education accessible to families from all walks of life by offering need-based tuition assistance. Each family’s specific circumstances are taken into account. Families considered must demonstrate need and have a strong understanding of and commitment to our mission and vision.

Scholarships

Scholarships are available through the Mars Hill Scholarship Granting Organization. Any family may apply, and all families applying for tuition assistance are automatically considered for scholarships.

For more information about tuition or tuition assistance, visit our website at www.marshill.edu/admissions/tuition.html.
